

Love Of My Life (Remastered)

Sammy Kershaw

You are the love of my life
And you are the reason I'm alive
And baby baby baby
When I think of how you saved me
I go crazy I've never known love like this
And it fills me with a new tenderness
And I know I know I know
You're in my heart you're in my soul
You're all I can't resist And I need to tell you
The first time I held you
I knew you are the love of my life I spent a lifetime waiting
Always hesitating until you
I was lost so deep inside my shell
'Til you came and saved me from myself
Now all I really know
Is I need you And you are the love of my life
All the joy and tears that I cry
And baby baby baby
You don't have to say a word
I see it in your eyes As we stand together
I promise forever
'Til the day that I die
You are the love of my life I spent a lifetime waiting
Always hesitating until you
I was lost so deep inside my shell
'Til you came and saved me from myself
Now all I really know
Is I need you You are the love of my life
You are the reason I'm alive
