

On Repeat (XFM Session)

LCD Soundsystem

A beat's on repeat, beating on me
From every car in the street
It's a constant repeat, on repeat
Of your paranoid heartbreaking beats
On repeatIt's a five song repeat beating on me
Your favorite band helps you sleep
And here comes the new stylish creep
From every car in the street
On repeat!
On repeat!On repeat!Don't tell nobody what, what you really want because
They can tell everybody else what you really want
Then you're fucked, so act like it's for yourself or it's all yours
And they go and tell everybody else that you're really great
We are just peopleYou're enfranchised and entrenched
You're enfranchised and entrenched
But know that it's yours!
Real life is a compromise
But your beats are half-assed, streak is beating on me
Well, I'm drinking, the weak is helping me sleepI wish I could complain more about the rich
But then all their children would run the streets and come to every show
No one wants that
I wish I could complain more about the rich
But then all their children would flee the schools, come to every show
Drugged and unwashed
I wish I could complain more about the rich
But then all their children would line the streets and come to every show
Unwashed and drugged andBeats are on repeat, beating on me
On your radio
On your radio
On your radioOn your radio
On your radio
On your radioBeats are on repeat, beating on me
Beats on repeat, beating on me
