

Your Love Is A Wonder

Fred Hammond

For all the love
You give to us
When we lie down
When we wake up
It's like the sun
So nice and warm
A shelter strong
In times of storm Without Your love
Our lives would be
A never ending tragedy
So now we take this time to say
We love You Lord
In every way (I'm so thankful) For Your love
(I'm so grateful for) Your love
(If it wasn't) For Your love
(Where would we be) Your love reached out for my life
And lifted me
I know for sure
It's what I need, Yeah Your love is a wonder
Your love is a wonderful thing yeah For all the love
You give to us
When we lie down
When we wake up
It's like the sun
So nice and warm
A shelter strong
In times of storm Without Your love
Our lives would be
A never ending tragedy
So now we take this time to say
We love You Lord
In every way (I'm so thankful) For Your love
(I'm so grateful for) Your love
(If it wasn't) For Your love
(Where would we be) Your love reached out for my life
And lifted me
I know for sure
It's what I need, Yeah Without Your love
Our lives would be

A never ending tragedy
So now we take this time to say
We love You Lord
In every way(I'm so thankful) For Your love
(I'm so grateful for) Your love
(If it wasn't) For Your love
(Where would we be) Your love reached out for my life
And lifted me
I know for sure
It's what I need, Yeah Your love is a wonder
Your love is a wonderful thing yeah
Your love is a wonder
Your love is a wonderful thing yeah Your love is a wonder
Your love is a wonderful thing yeah
Your love is a wonder
Your love is a wonderful thing yeah Your love is a wonder
Your love is a wonder
Your love is a wonder
Your love is a wonderful thing
I need it
I can't live
Without it
I need it
Your love is a wonder
Your love is a wonderful thing Your love is a wonder
Your love is a wonder
Your love is a wonder
Your love is a wonderful thing
I need it
I can't live
Without it
I need it
Your love is a wonder
Your love is a wonderful thing
