

Twilight (Lido Beach - December 13, 1981)

U2

I look into his eyes
They're closed but I see something
A teacher told me why
I laugh when old men cry My body grows and grows
It frightens me you know
Old man tried to walk me home
I thought he should have known Twilight
Twilight, lost my way
Twilight, can't find my way In the shadow (shadow) boy meets man
In the shadow (shadow) boy meets man
In the shadow (shadow) boy meets man
In the shadow (shadow) boy meets man I'm running in the rain
I'm caught in a late night play
It's all, it's everything
I'm soaking through the skin Twilight darkened day
Twilight lost my way
Twilight night and day
Twilight can't find my way Can't find your way
Can't find my way
Can't find your way Twilight darkened day
Twilight lost my way
Twilight night and day
Twilight can't find my way In the shadow (shadow) boy meets man
In the shadow (shadow) boy meets man
In the shadow (shadow) boy meets man
In the shadow (shadow) boy meets man
