

# Man Of God

## Audio Adrenaline

Sometimes I'm a liar, sometimes I'm a fake  
Sometimes I'm a hypocrite that everybody hates  
Sometimes I'm a poet, sometimes I'm a preacher  
Sometimes I watch life go by sitting on the bleacher  
But Ive never been left alone  
In any problem that Ive known  
Even though Im to blame  
There were times when things were dark  
And Ive been known to miss the mark  
But someone fixed my aim  
Sometimes Im a man of God  
Sometimes Im alright  
Sometimes I lay down  
Close my eyes and pray to God  
Sometimes I dont feel good  
Its hard to start the day  
Its hard to climb the obstacles  
That sometimes come my way  
If I make it, Im a good man  
Am I a bad man if I fail?  
I know Im never good enough  
So I let grace prevail  
Oh, Ive never been left alone  
In any problem that Ive known  
Even though Im to blame  
There were times when things were dark  
And Ive been known to miss the mark  
But someone fixed my aim  
Sometimes Im a man of God  
Sometimes Im alright  
Sometimes I lay down  
Close my eyes and pray to God  
Im ready for the night  
Right now I'm alright  
Right now I'm alright, yeah  
Sometimes Im alright  
I'm alright  
Thank God, thank God  
Cause sometimes Im a man of God  
Sometimes Im alright, yeah  
And sometimes I lay down  
Close my eyes and pray to God  
Cause sometimes Im a man of God  
And sometimes Im alright, yeah  
And sometimes I lay down  
Close my eyes and pray to God  
Im ready for the night
