Donâ€™t Kill the Fun (feat. Chris Brown)

Sevyn Streeter

Alright Sevyn

Baby, don't kill the fun, (I won't)
This ain't over until we say it's done, (Alright)
It's your life, go ahead, do what you choose
Put me in your, your favorite mood
Oh baby, don't kill the vibe
Turn it down we gotta let it ride
I found you, crowned you, I turned you on
So you know, I got, what you want

'Cause it ain't like you can take it with you when you go
It's only right to make it beautiful
Lets be undeniable (don't kill the fun)
If you wanna live it, gotta live it
Make tonight unforgettable (don't kill the fun)
And we won't stop rockin' till they call the cops

Don't kill the fun (I can't)
Don't kill the fun (I won't)
Let's be undeniable
And we won't stop rockin' till they call the cops

Oh baby (don't kill the fun)
We can only chase it if we run
Body to body, it's all for free
Now come get this l-o-v-e

Lay down, no over thinking
Get it though, this picture we painting
Till 3 in the mornin', 3 in the mornin'
All night we on
We make the party come to life
Life, don't kill the fun
Me and you

Lets be undeniable (don't kill the fun)
If you wanna live it, gotta live it
Make tonight unforgettable (don't kill the fun)

Won't stop rockin', no

I can't, I won't
Unde-undeniable
I can't, I won't
Unde-undeniable
(Call the cops)
