Be With You

Akon

I know they wanna come and separate us
But they can't do us nothin'
You're the one I want and I'ma continue lovin'
'Cause you're considered wifey and I'm considered husband
And I'ma always be there for you
And either way you look at it, I ain't goin' nowhere for my muffin'
'Cause she gonna hold it down, can't nobody tell her nothin'
You got the kind of love that always make a better fussin'
And that's what gets me closer to you
And no one knows why I'm into you
'Cause you'll never know what it's like to walk in our shoes
And no one know the things we've been through
Can never measure up to half of what I put you through
That's why we'll break through
And I don't care what they say, I'm gonna be with you
I'm gonna be with you, I wanna be with you
And I don't care what they do, I'm gonna be with you
I'm gonna be with you, I'm gonna be with you
Seems like every day that go by, things are gettin' harder
Wanna be the one that give you the whole enchilada
'Cause I know what my baby like, I lean you on that Prada
You ain't got to match with the shoes
All about knowin' you, I'm into doin' things to keep her longer
Stickin' together forever, watch you grow stronger
That's the way it has to be, everythin' problem

Keepin' it always true
And no one knows why I'm into you
'Cause you'll never know what it's like to walk in our shoes
And no one know the things we've been through
Can never measure up to half of what I put you through
That's why we'll break through
And I don't care what they say, I'm gonna be with you
I'm gonna be with you, I wanna be with you
And I don't care what they do, I'm gonna be with you
I'm gonna be with you, I'm gonna be with you
You are everythin' in my life, see the joy you bring
And ain't no one I compare you to
And I know that you will never walk away from me no matter what

And that's why I plan to do the same thing for you
And I want you to know
And I don't care what they say, I'm gonna be with you
I'm gonna be with you, I wanna be with you
And I don't care what they do, I'm gonna be with you
I'm gonna be with you, I'm gonna be with you
And I don't care what they say, I'm gonna be with you
I'm gonna be with you, I wanna be with you
And I don't care what they do, I'm gonna be with you
I'm gonna be with you, I'm gonna be with you
