## **The End Complete**

## **Obituary**

You will soon come with me to die And find that death is not the end Who I say, who will, who won't be freed Tell me that this is not the end completeEven as the end's complete Finding strength in ones defeat Living in an endless score Killing me with battled soresI'm the one that's sent to kill Feeling all destructive will Bring forth one dead souls decay Till the end's complete, it's the final dayWhen the time has come to bare Dying young, fall to despair To bring forth one dead souls decay The end completes the final day
