

# Fun (feat. Tove Lo)

## Coldplay

I know it's over before she says  
I know it falls at the water face  
I know it's over, an ocean awaits  
For a storm  
The sun and snow  
Rivers and rain  
Crystal ball could foresee a change  
And I know it's over, parting our ways  
And it's done But didn't we have fun?  
Don't say it was all a waste  
Didn't we have fun?  
Oh-oh-oh  
From the top of the world  
Top of the waves  
You said forever, forever always  
We could have been lost  
We would have been saved  
Oh, I-aaah  
Now we're stopping the world, stopping it's spin  
Oh come on don't give up  
You see me give in  
Don't say it's over  
Don't say we're done  
Oh, didn't we have fun?  
Woo-oh-oh-oh  
Woo-oh-oh-oh  
Woo-oh-oh-oh  
Oh, didn't we have fun? I know it's over before she says  
Now someone else has taken your place  
I know it's over Icarus says to the sun  
And so it sinks in, lightning strikes  
You're too forced to force his glide  
The fact that it's over, the fact that it's done  
Ah-ah-ah Didn't we have fun?  
Don't say it was all a waste  
Didn't we have fun?  
Oh-oh  
From the top of the world  
Top of the waves

You said forever, forever always  
We could have been lost  
We would have been saved  
Oh, I-aaah  
Now we're stopping the world, stopped it in its tracks  
Nothing's too broken to find our way back  
So before it's over, before you run  
Ah, didn't we have fun?
