

Best Dress

Jann Arden

Drinking whiskey from an open toed shoe
Farm hand and an evening glove
Puttin' on a kiss that will last until dawn
I'm going to town with my best dress on Bare buttin' on an apple crate bench
Do my face in the loft of the barn
I touch myself on the old chaise lounge
I'm going to town with my best dress on Yeah, yeah, yeah, I'm so pretty
Gonna ask myself to the prom
Yeah, yeah, yeah, I'm all sexy
Going to town with my best dress on
Going to town with my best dress on Double clutching in my high heel shoes
Check the mirror and I blow myself a kiss
Turn up the radio 'cause they're playing my favorite song
I'm going to town with my best dress on
Going to town with my best dress on
