Things Are Gonna Get Better

[David Archuleta](#)

Yeah, yeah, mmm, hmm
Everybody's got a time in their life
When everything hurts and nothing's right
But you gotta walk on, yeah, you gotta walk onEverybody's got a piece of their heart
That's been stepped on and torn apart
But you gotta be strong, yeah, you gotta walk on'Cause I know it's hard to have the strength and
Sometimes, all you feel is pain but
Things keep floating by on that river in the nightBut I know things are gonna get better
And I know things are gonna be fine
And I know Life is gonna get better,
Standing here together, yeah, we're gonna be fineEverybody's got that one regret
No matter how they try, they can't forget
But you gotta move on, yeah, you gotta move onAnd everybody's got someone they've lost
And they can't believe they're really gone
But you gotta live on, yeah, you gotta live on'Cause I know it's hard to have the strength and
Sometimes, all you feel is pain but
Things keep floating by on that river in the nightBut I know things are gonna get better
And I know things are gonna be fine
And I know Life is gonna get better,
Standing here together, yeah, we're gonna be fineAnd I bring strong hope
I see it in your eyes
So take me, touch me'Cause with a little bit of love, we can win the fight
With a little bit of love we can see the light
With a little bit of love it'll be alrightI know things are gonna get better
And I know things are gonna be fine
And I know Life is gonna get better,
Standing here together, yeah, we're gonna be fineWalk, walk, walk the line and
Keep, keep, keep walking on
Keep, keep, keep walking on
