

Almost Forgot Myself (Demo)

Doves

So close, you waste it again,
I know, some how,
I lost myself,
Again, Your making me high again,
I almost forgot myself again,
This was so high it kills me again,
Today. So close, yet you rest again
Ah no, so high
Found ourselves, oh, oh Then will be high, again
I almost forgot myself again
Its gets you so high, it kills again.
