Clipped Wings (Full) (Write Me Back 2012)

R. Kelly

Sunny days, I promised you
Life's window pane
With a perfect view
A vow to love, unconditional
Be there for you, all seasonAnd I never meant to clip your wings, oh my love
And I never meant to clip your wings, oh my love
Baby I never meant to clip your wings, ooh baby
Now I'm wishing you
You would fly right back to me, yeahI made a vow to walk with you
Through anything life puts you through
Told you the world is yours and everything in it
Then took your heart for grantedAnd baby I never meant to clip your wings, never
Baby I never meant to clip your wings
Baby I never meant to clip your wings
Now I'm wishing you
You could fly right back to me, yeahI was your eagle, you were my dove yeah
And nothing would come between us, no, no, no
Now the fun and laughter, going to the park
And all the pictures we took
Now it's all gone awayAnd baby I never meant to clip your wings, oh baby
I never meant to clip your wings, oh my love
And baby I, I never meant to clip your wings
Now I'm wishing you
You could fly right back to me, yeahBaby, baby, baby, baby
I never meant to clip your wings, oh my love
Baby girl I never,
Meant to clip the wings of an angel
When I was supposed to love you baby
For eternity
Now I'm wishing you
You could fly right back to me, yeah
