Vs 1

Ok a backpack w/ no books in it

Got a quarter pound n a 380, hopin momma don't look in it

All da shit on school campus, I admit I'm pushin it

Lef class sold it all if they catch me they gon thro da book at me

I was 17 at walgreens

Walgreens wasn't cuttin it

Jumpd in da trap hid all my guns ta make sure ppl wasn touchin shit

??? Every bitch

I was gettin head, besides that ain't no sucker shit

Try ta play w/ dis lil nigga n a gun wound wont b subsequent

Like gainin da weight I was pumpin it

18 a dozen bricks in my sister whip

Wit no ID if da laws flash I'm punchin it

My prices low I'm on it bitch

Shop w/ me ya gon cum again

But cum round talkin dat bargainin, I'm sorry bruh I don't comprehend

HOOK 1x

Vs 2

Ridin round w/ dat thang tucked

Lookin at them forclosures, thankin God dat it ain't us

Thinkin bout how it would feel to lose everything tho it ain't much

Then a munt l8r ma lost her job n shortly after filed bankrupt

We never lived in no projects, n for that reason I'm thankful

But I'm sorry momma sorry something gotta give, I put school down picked da game up

Started small built my name up

Managed to never get chained up

Momma did all she could do so if I'm corrupt don't blame her

Blame me blame us, for not remainin ?????

I had enuff money to change everythang

But I still wasn puttin no change up

Now I got that music money so in sum ways I done came up
But if my album flop, I'm goin back to blocks
I don't give a fuck if I'm famous NOTCH!
Hook 2x
