# Freedom For The World

## David Hasselhoff

Look at the madness
The faces of sadness
The people who try to survive
Why is it so, the children are wondering whyWe've broken the promise
The truth is upon us
Somehow we're living a lie
And why don't we start
The start being smart, you and IJust look around, what do you see
Is this the way we want it to be
I can't believe the way we carry on, are we wrong
Everybody all over the world
We've got to get along
If we don't get together, we'll be goneTalking 'bout freedom
Freedom for you and me
Freedom for the worldI said freedom
Freedom for you and me
Freedom for the worldGot to have freedom
Freedom for you and me
Freedom for the worldLook at tomorrow
Think of the sorrow
Think of price we'll pay
Look to your heart
And love will lead the wayPeople are praying
People are saying
How long can this go on
It just isn't right
To fight for the right to belongEverybody all over the world
Raise your voices in song
If we don't get together, we'll be goneTalking 'bout freedom
Freedom for you and me
Freedom for the worldWe need freedom
Freedom for you and me
Freedom for the worldWe need freedom
Freedom for you and me
Freedom for the worldI said freedom
Freedom for you and me
Freedom for the worldEverybody wants freedom
Freedom for you and me
Freedom for the worldWe got to have some freedom

Freedom for you and me
Freedom for the worldEverybody needs it for the world
Freedom for you and me
Freedom for the worldI said freedom
Freedom for you and me
Freedom for the worldEverybody said you got
You got to have freedom
Freedom for you and meFreedom for the world
We've got to have it
Freedom for you and meFreedom for the world
For you and me
And freedom for the worldEverybody wants it
Freedom for you and me
Freedom for the worldTalking 'bout freedom for the world
Freedom for you and me
