

Promise (Remix ft. Jermaine Dupri & Loon)

Jagged Edge

Nothing is promised to me and you
So why will we let this thing go
Baby I promise that I'll stay true
Don't let nobody say it ain't so
And baby I promise
That I will never leave
That everything will be alright, I
I promise these things to you
Girl just believe
I promise Should of known the things you said been right
Forever is such a very long time
We never even had a fight
Don't let no one change your mind
'Cause they don't know how much I care
They don't know the things we share unless they're here babe
But since they're not
How can they say I'm not true, oh, oh, oh If you need a love, I got the love that you need
Ain't no way they can take that from me
And I pray to God that one day they will see
They'll see that I'm all that you need Nothing is promised to me and you
So why will we let this thing go
Baby I promise that I'll stay true
Don't let nobody say it ain't so
And baby I promise
That I will never leave
That everything will be alright, I
I promise these things to you
Girl just believe
I promise When I think of all the times I said
That I will see you another day
Baby nothing's gonna change, yes it is
Said you mean the world to me
And babygirl I keep you first, yeah
Cause that's the kind of love you deserve
And to know I got a love if you need a love, yeah If you need a love, I got the love that you need
Ain't no way they can take that from me
And I pray to God that one day they will see (I swear to you, because a promised oh girl)
Nothing is promised to me and you
So why will we let this thing go

Baby I promise that I'll stay true
Don't let nobody say it ain't so
And baby I promise
That I will never leave
That everything will be alright, I
I promise these things to you
Girl just believe
I promise You're the only I want in my life
And I promise everything is alright girl
You're the only I want in my life
I promise, promise, promise you baby You're the only I want in my life
And I promise everything is alright girl
You're the only I want in my life
I promise, promise, promise you baby You're the only I want in my life
And I promise everything is alright girl
You're the only I want in my life
I promise, promise, promise you baby You're the only I want in my life
