

# Indian Summer

## Sundy Best

It was so fun  
I was so dumb  
You werenâ€™t that old  
I was so young  
I was so young

I was just play  
You were just say  
See me today  
And Iâ€™d say no way

It was a Indian summer  
There was no rain in sight  
And I was looking for love  
In the middle of the night

It was so fun  
I was so dumb  
You were so young  
We fell in love  
We fell in love

We were going steady  
It was hot and sweaty  
It was never really heavy  
And I was never really ready

But that Indian summer  
There was not rain in sight  
And love came running after me  
In the middle of the night

It was so fun  
I was so dumb  
You were so young  
We fell in love  
We fell in love (yea)
