Is Your Love Strong Enough?

Bryan Ferry

Just one step at a time
And closer to destiny
I knew at a glance
There'd always be a chance for me
With someone I could live for
Nowhere I would rather beIs your love strong enough
Like a rock in the sea
Am I asking too much?
Is your love strong enough?Just one beat of your heart
And stranger than fantasy
I knew from the start
It had to be the place for me
Someone that I would die for
There's no way I could ever leaveIs your love strong enough
Like a rock in the sea?
Am I asking too much?
Is your love strong enough?Is your love strong enough?
Just one beat of your heart
Is your love strong enough?
Is your love strong enough?Is your love strong enough?
Is your love strong enough?
Is your love strong enough?Just one beat of your heart
Strong enough?
Strong enough?Just one beat of your heart
Strong enough?
Strong enough?Just one beat of your heart
Strong enough?
Strong enough?Just one beat of your heart
Strong enough?
Strong enough?Just one beat of your heart
