Ladies Man

Da'Ville

Hey, hey, yo, is this thing on?
Oh, for a second there
I thought that I was the only
Whose man put his car before his girl
Put his friends before the relationship
But I guess these are the things
We just gotta deal withStood me up for the thousandth time
Said he was running 'round
He was crazy busy at the studio
I wanted to key his car, cut his clothes
I wanted him to die
But then he slipped in for a second
And he hit it and he made it alright oh yeahHe's a ladies man, a playboy
Smooth talkin', ooh doe, trickin' ho
Pimpin', gotta go, gotta roll tight
Was the same excuse
Used every trick in the book
Game no good, shoo but I love this manLadies man, a playboy
Smooth talkin', ooh doe, trickin' ho
Pimpin', gotta go, gotta roll tight
Was the same excuse
Used every trick in the book
Game no good, shoo but I love this manAny girl would come and say that I'm a fool
Girl don't trip, 'cuz you know
That it done happened to you
You done ran into a guy
That had your head all messed up
Got you comin' out your clothes
Talkin' you out your drawers
But never fall in loveHe's a ladies man, a playboy
Smooth talkin', ooh doe, trickin' ho
Pimpin', gotta go, gotta roll tight
Was the same excuse
Used every trick in the book
Game no good, shoo but I love this manLadies man, a playboy
Smooth talkin', ooh doe, trickin' ho
Pimpin', gotta go, gotta roll tight
Was the same excuse
Used every trick in the book

Game no good, shoo but I love this manI know he got another girl
(I know he got another girl)
Know he ain't always at work
(Not at work, ain't at work)I know he really got the pay
(He was workin' studio)
I know about the games he play
(I done played those before)I ain't one who didn't know
Sometimes you gotta play the role
Never made me feel like I'm a ho
But he made me feel like I'm all womanHe's a ladies man, a playboy
Smooth talkin', ooh doe, trickin' ho
Pimpin', gotta go, gotta roll tight
Was the same excuse
Used every trick in the book
Game no good, shoo but I love this manLadies man, a playboy
Smooth talkin', ooh doe, trickin' ho
Pimpin', gotta go, gotta roll tight
Was the same excuse
Used every trick in the book
Game no good, shoo but I love this manHe's a ladies man, a playboy
Smooth talkin', ooh doe, trickin' ho
Pimpin', gotta go, gotta roll tight
Was the same excuse
Used every trick in the book
Game no good, shoo but I love this manLadies man, a playboy
Smooth talkin', ooh doe, trickin' ho
Pimpin', gotta go, gotta roll tight
Was the same excuse
