

Who's with Me

Flo Rida

Oh my Lord
The light is going down and the weekend's here
Save my soul
I can feel it coming, trouble's in the air (Come on!)
Oh my Lord
The light is going down and the weekend's here
Save my soul
Who's all with me now?
Who's all with me now?
Oh my Lord

I got a lot on my mind
I got a lot on my plate
I got a cup full of trouble
I got some money to waste
I put the drinks on the tab
You put yo ass in the car
It's like a weekend at Bernie's
And baby, you look the part
I'm 'bout to get it poppin'
Call a Uber, Uber cause I'm a scuba
Divin' while you droppin'
Shawty rocking and I'll maneuver
I know you like it when I put it on ya
Maybe you should bring a friend along, yeah

Now ooh, I got paper and I ain't gon' chase ya
Baby, I'm gon' take you down
Now ooh, Come on, shake it, baby
Turn that ass around
I'm like

Oh my Lord
The light is going down and the weekend's here
Save my soul
I can feel it coming, trouble's in the air
Oh my Lord
The light is going down and the weekend's here
Save my soul

I can feel it coming, trouble's in the air
Who's all with me now?
Who's all with me now?
Oh my Lord

I done graduated, baby, Maserati, the Bugatti
Coach seats to private, I'm coast to coast, ballin'
Call your friends, the weekend's coming
I'm 'bout to give you the rock, now pour up a shot
Give me one for the money, you the one for the night
Girl, you one in a million if you the one that I like
You got a lot of booty, booty
Glad I knew ya, I brought a ruler
I'mma use it, play the music louder, I gotta do it

Now ooh, I got paper and I ain't gon' chase ya
Baby, I'm gon' take you down
Now ooh, Come on, shake it, baby
Turn that ass around
I'm like

Oh my Lord
The light is going down and the weekend's here
Save my soul
I can feel it coming, trouble's in the air
Oh my Lord
The light is going down and the weekend's here
Save my soul
I can feel it coming, trouble's in the air
Who's all with me now?
Who's all with me now?
Oh my Lord

I take it up another notch and make it drop it
And never take it down, take it down
30-something thousand watching
Show me something, baby
Who's all with me now?
Who's all with me now?

Oh my Lord
Who's all with me now?
Who's all with me now?
