

Reach Out For The Light

Avantasia

[Gabriel:]

Yeah - yeah Lord above - why don't you tell me
why I'm here in agony?
I've been serving, I've been praying,
now I'm caught in misery. I've been praised by friar Jakob,
I misused his confidence.
Cheated by this work of evil -
Feigning Anna's innocence. Oh what have I done?
So many ways lead to the fallen one,
Lucifer, fallen light
Oh what have I done?
What is going on? - We should bring salvation,
not give in to his temptation - no!
Read and preach the holy word
and no forbidden lies that hurt.
I remember words of "seven".
Set me free - sanity! - [Lugaid:]
Reach out for the light
far beyond confines.
You have read the magic lines
leading to the light in your mind [Gabriel:]
What is right and what is wrong now?
Is it a trial of paradise?
Is Anna a witch or do they stick to an error?
What's the book and the seal inside? Am I a cleric or maybe a sinner?
Unbeliever? Renegade?
Was it the devil who led me to "seven"?
Oh redeemer is it all too late? Oh what have I done?
I have been led by the smelling one,
Lucifer, fallen light
Tell me stranger, what have I done?
Oh what is going on? Yeah - We should bring salvation,
not give in to his temptation - no!
Read and preach the holy word
and no forbidden lies that hurt.
I remember words of "seven".
Set me free - sanity! - [Lugaid:]
Reach out for the light
far beyond confines.

You have read the magic lines
leading to the light[Gabriel:]
in your mind? Yeah - oh - yeah[Lugaid:]
Reach out for the light
far beyond confines.
You have read the magic lines
leading to the light in your mind
