

# Radio Free Europe

R.e.m.

Beside yourself if radio's gonna stay  
Reason it could polish up the gray  
Put that, put that, put that up your wall  
That this isn't country at all  
Raving station, beside yourself  
Keep me out of country in the word  
Deal the porch is leading us absurd  
Push that, push that, push that to the hull  
That this isn't nothing at all  
Straight off the boat, where to go?  
Calling on in transit, calling on in transit  
Radio free Europe, radio  
Beside defying media too fast  
Instead of pushing palaces to fall  
Put that, put that, put that before all  
That this isn't fortunate at all  
Raving station, beside yourself  
Calling on in transit, calling on in transit  
Radio free Europe, radio  
Decide yourself, calling all of the media's too fast  
Keep me out of country in the word  
Disappoint is into us absurd  
Straight off the boat, where to go?  
Calling on in transit, calling on in transit  
Radio free Europe, radio free Europe  
Calling on in transit, calling on in transit  
Radio free Europe, radio free Europe
