

Up All Night

Mac Miller

One, two, one two three go
Hey, hey, hey, hey,
Fill it up, fill it up!
Hey, hey, hey, hey,
Fill it up, fill it up!
Hey, hey, hey,
Fill it up, fill it up!
Hey, hey, hey,
Fill it up, fill it up! Let me get another cup please
I ain't drivin' home, so you can have my keys
Got a bunch of tricks all hidden up my sleeve
So I'mma get drunk, won't be leavin' til three
Yea, I got a reputation of gettin' wasted
Everything in sight, homie we ain't tryna save shit
Leave the spot dizzy, so naw I can't see bitch
Sexy bartenders always get a really mean tip
Life's so good, please enjoy it
End of every night when your head's in the toilet
Yeah we party hard, give a fuck about employment
Kill the whole bottle we'll be spinnin' like a coin flip
Yeah we ain't goin' home no time soon
I'm on shot number four times two
Stand by the keg, let the host find you
Gettin' nice, I'll be up all night
We stayin' up all night I ain't got shit to do tomorrow, tomorrow
We up all night I ain't got shit to do tomorrow, tomorrow
We up all night I ain't got shit to do tomorrow, tomorrow
We up all night I ain't got shit to do tomorrow, tomorrow
We up all night Drink drink drink drink
Drink drink drink drink
Drink 'til we can't no more We gon' drink drink drink drink
Drink drink drink drink
Drink 'til we can't no more Head starts spinnin' and my legs get wobbly
Every mornin' wake up, liquor in my coffee
Yea I'm tryna party, find a open house crib
Screw the law, we just some motherfuckin' kids
Never listen to nobody who was tryin' to tell me "no"
'Cause I got no problem being way outta control
Got these ladies go crazy at every single show

But you ain't drunk enough until you takin' off your clothes
Not me, you can do you
Do some crazy shit that's poppin' up on YouTube
'Finna rock out, I ain't talkin' U2
Passing out, waking up without shoes
Live life on the edge, sharper than a razor
Like my liquor straight, I don't ever need a chaser
Have a good time, ain't no reason we should fight
Party with me, we stayin' up all night
We stayin' up all night I ain't got shit to do tomorrow, tomorrow
We up all night I ain't got shit to do tomorrow, tomorrow
We up all night I ain't got shit to do tomorrow, tomorrow
We up all night I ain't got shit to do tomorrow, tomorrow
We up all night Drink drink drink drink
Drink drink drink drink
Drink 'til we can't no more We gon' drink drink drink drink
Drink drink drink drink
Drink 'til we can't no more Hey, hey, hey, hey,
Fill it up, fill it up!
Hey, hey, hey, hey,
Fill it up, fill it up!
Hey, hey, hey,
Fill it up, fill it up!
Hey, hey, hey,
Fill it up, fill it up! Hey, hey, hey, hey,
Fill it up, fill it up!
Hey, hey, hey, hey,
Fill it up, fill it up!
Hey, hey, hey,
Fill it up, fill it up!
Hey, hey, hey,
Fill it up, fill it up!
Fill it up, fill it up! We stayin' up all night I ain't got shit to do tomorrow, tomorrow
We up all night I ain't got shit to do tomorrow, tomorrow
We up all night I ain't got shit to do tomorrow, tomorrow
We up all night I ain't got shit to do tomorrow, tomorrow
We up all night Drink drink drink drink
Drink drink drink drink
Drink 'til we can't no more Drink drink drink drink
Drink drink drink drink
Drink 'til we can't no more
