

# Spit In Your Face

## Outbreak

You do it to yourself and you're the one to blame, so go on ahead with your slutty game. Beg for attention but I'm not buying, all I can do is laugh when I see you crying and when you've hit bottom and need some help up, I won't give a fuck, you'll be shit out of luck. The world is overcrowded with heartless fucks, there's no one to trust and everyone sucks. I'll spit in you face and call it a day. I feel so much better without you in m
