

# Lolita

## Lana Del Rey

Would you be mine?  
Would you be my baby tonight?  
Could be kissin' my fruit punch lips in the bright sunshine  
'Cause I like you quite a lot, everything you've got  
Don't you know?  
It's you that I adore  
Though I make the boys fall like dominoesKiss me in the d-a-r-k dark tonight  
(D-a-r-k, do it my way)  
Kiss me in the p-a-r-k park tonight  
(P-a-r-k, let them all say)Hey Lolita, hey! Hey Lolita, hey!  
I know what the boys want, I'm not gonna play  
Hey Lolita, hey! Hey Lolita, hey!  
Whistle all you want, but I'm not gonna stay  
No more skippin' rope, skippin' heartbeats with the boys downtown  
Just you and me feelin' the heat even when the sun goes downI could be yours, I could be your baby tonight  
Topple you down from your sky forty stories high  
Shining like a god, can't believe I caught you and so  
Look at what I bought, not a second thought  
Oh, RomeoKiss me in the d-a-r-k dark tonight  
(D-a-r-k, do it my way)  
Kiss me in the p-a-r-k park tonight  
(P-a-r-k, let them all say)Hey Lolita, hey! Hey Lolita, hey!  
I know what the boys want, I'm not gonna play  
Hey Lolita, hey! Hey Lolita, hey!  
Whistle all you want, but I'm not gonna stay  
No more skippin' rope, skippin' heartbeats with the boys downtown  
Just you and me feelin' the heat even when the sun goes downI want my cake and I wanna eat it too  
I wanna have fun and be in love with you  
I know that I'm a mess with my long hair and my suntan, short dress, bare feet, I don't care  
What they say about me, what they say about me  
Because I know that it's l-o-v-e  
You make me happy, you make me happy  
And I never listen to anyone  
(Let them all say!)Hey Lolita, hey! Hey Lolita, hey!  
I know what the boys want, I'm not gonna play  
Hey Lolita, hey! Hey Lolita, hey!  
Whistle all you want, but I'm not gonna stay  
No more skippin' rope, skippin' heartbeats with the boys downtown  
Just you and me feelin' the heat even when the sun goes down
