When We Fall

Love Equals Death

When we fall we will pick up the pieces
We know that we'll never be down for too longWhen we fall down we must realize
It's a temporary state we must overcomeWith no regrets, there's no defeat
These obstacles mean nothing to me
We won't give up, we won't give in
We'll keep on fighting until the endGet up, stand tall
You gotta fight for it allWhen we fall we will pick up the pieces
We know that we'll never be down for too longThis is your life, don't second guess
Or your future will come to its death
If you moan, bitch or complain
At the bottom is where you'll remainWhen we fall we will pick up the pieces
We know that we'll never be down for too longWhen we fall
That's right when we fall
Don't count us out
We have the power to stand up again
Just because failure
Preys on the weak
Doesn't mean you gotta stay downStand up, stand tall
Through your defeat
We have the power to stand up again
Our dreams stand above it allWhen we fall we will pick up the pieces
We know that we'll never be down for too long
