

Across the Universe (remix)

Rufus Wainwright

Words are flowing out like endless rain into a paper cup
They slither while they pass, they slip away across the universe
Pools of sorrow waves of joy are drifting through my open mind
Possessing and caressing meJai Guru Deva, Om
Nothings gonna change my world
Nothings gonna change my world
Nothings gonna change my world
Nothings gonna change my worldImages of broken light which dance before me like a million eyes
And call me on and on across the universe
Thoughts meander like a restless wind inside a letter box
They stumble blindly as they make their way across the universeJai Guru Deva, Om
Nothings gonna change my world
Nothings gonna change my world
Nothings gonna change my world
Nothings gonna change my worldSounds of laughter shades of earth are ringing
Through my open mind, inciting and inviting me
Limitless undying love which shines around me like a million suns
It calls me on and on across the universeJai Guru Deva, Om
Nothings gonna change my world
Nothings gonna change my world
Nothings gonna change my world
Nothings gonna change my worldNothings gonna change my world
Nothings gonna change my world
Nothings gonna change my world
Nothings gonna change my worldJai Guru Deva
Jai Guru Deva
Jai Guru Deva
Jai Guru Deva
