

# Ooh Child (Alternate Version)

Beth Orton

Ooh child, things are gonna get easier  
Ooh child, thingsll be brighter  
Ooh child, things are gonna get easier  
Ooh child, thingsll get brighterSomeday, yeah, well put it together and well get it undone  
Someday, when your head is much lighter  
Someday, yeah, well walk in the rays of a beautiful sun  
Someday, when the world is much brighterOoh child, things are gonna get easier  
Ooh child, thingsll be brighter  
Ooh child, things are gonna get easier  
Ooh, thingsll be brighterSomeday, yeah, well put it together and well get it undone  
Someday, yeah, when your head is much lighter  
Someday, well walk in the rays of a beautiful sun  
Someday, when the world is much brighterRight now, right now  
Right now, right now  
You just wait and see  
How things are gonna beYou just wait and see  
How things are gonna be  
You just wait and see  
How things are gonna beOoh child, things are gonna get easier  
Ooh child, thingsll be brighter  
Ooh child, things are gonna get easier  
Ooh, thingsll get brighter
