

Let It Be Me

Ray LaMontagne

There comes a time
A time in everyones life
Where nothing seems to go your way
Where nothing seems to turn out right
There may come a time
You just can't seem to find your place
For every door you open
It feels like you get two slammed in your face
Thats when you need someone
Someone that you can call
And when all your faith is gone
It Feels like you can't go on
Let it be me
Let it be me
If it's a friend that you need
Let it be me
Let it be me
Feels like your always comin up last
Pockets full of nothin, you a'int got no cash
No matter where you turn, you aint got no place to stand
Reach out for something and they slap your hand
Now I remember all too well
Just how it feels to be all alone
To feel like youd give anything
For just a little place you can call your own
Thats when you need someone
Someone that you can call
When all your faith is gone
It feels like you can't go on
Let it be me
Let it be me
If it's a friend that you need
Let it be me
Let it be me
Let it be me
Let it be me
If it's a friend that you need
Let it be me
Let it be me
Let it be me
