Cul de Sac

Van Morrison

In the Cul De Sac, so smooth, I look down
Be less sure, sir and take your rest
It's been much too long since we drifted in song
Lay it down wet in this hide awayOh I traveled far to the nearest star
And met Palomar, mar, mar
And we don't care just who you know
It's who you areAnd when they all go home
Down the cobblestones
You can double back
(This is it)
To a Cul De Sac, mmmOh, I traveled far, the nearest star
And Mount Palomar, Palomar, Palomar, Palomar
And we don't care just who do you know, who do you know
And who you really are, really are?And when they all, all go home
Down the cobblestones
You will double back to a Cul De Sac
You know, you know you willYou will, oh, will double back
And not very far to a Cul De Sac
You, you, you will double back
To a Cul De Sac, you know, you know
It's not very far away, no, no
It's just a Cul De SacAnd you know, and you know, and you know
It's not very very far away, no
It's just a Cul De Sac, donn, donn, donn
You're not very far away, no, ohhIt's not, it's not very far away
It's not as far as a country mile
(You got it)
It's just a Cul De Sac
