

# Can't Ignore Me (Prod by Cardiak)

## Kid Ink

You could try hard, but you can't ignore me  
Shout out to the ones who did it way before me  
They love and they hate and then they love you more Yeah, uh  
Different day, same old story  
Got money on my mind, nothing more important  
My asset of a kid raised in apartments  
Fuck forty in the mue, I need a bigger portion  
Parked in front of a crib, looking for some dry  
Dealing with the bullshit on the other side  
Of the grass in the pass, I would run and hide  
But I can't kill any time, it's career homicide  
Uh, Gotta show 'em all who the best  
In the motherfucking building like an architect  
Doing the most, I could never give em' less  
Now take a look around, I be here when no one left  
Bitch, I promise You could try hard, but you can't ignore me  
Shout out to the ones who did it way before me  
They love and they hate and then they love you more  
That's the way it goes, that's the way it goes [2x]  
Uh, yeah, that's just the way it goes  
Uh, yeah, that's just the way it goes  
Uh, yeah, that's just the way it goes  
Uh, yeah, that's just the way it...Goes! On the side where I came from  
Live by the gun, die by 21  
Thank God I'm alive and I made sum'  
Out of nothing, niggas thought I was frontin'  
Now they see me getting to it, doing what they said I wasn't  
Gotta have a little patience, baby, why the hell you rushing?  
I gotta play my cards, even when they think I'm bluffing  
Heading to the top, can't see nobody above me  
Can you feel the pressure, can you hear the message?  
I'm trying to stay clean but the shit be getting messy  
If you're looking for me I will be right where you left me  
Put that on my city, that I'm bout' to bring it back  
Bitch I promise
