Worthless

Dido

I know what you came for
And I know when you'll leave
You came for my heart
And it's lost to meFor I won't stop you
I will open my door
My heart is here waiting
I don't need it no moreI know why you're leaving
And I'll just let it be
I am left with nothing
And now you're lost to meFor I can't stop you
I will open my door
My heart is here waiting
I don't need it no moreI know why you're waiting
Give me time breathe
Before you take my heart now
And just get up and leaveFor I won't stop you
I will open my door
My heart is here waiting
I don't need it no moreFor love makes a fool of me
For love makes a part of us
You know it's worthless
As worthless can beFor love makes a fool of me
For love makes a part of us
You know it's worthless
As worthless can be
