Since You're Not Around

Losing Abby

It's hard to be alone
See life change without you...
I struggle to believe
(.....)

And I wake up
Wishing you were here

[CHORUS]
Since you're not around,
I'm feeling so lonely
I can't escape
from your face (x2)

You're always on my mind
Never disappear

And I wake up
Wishing that you were here

[Chorus]
Since you're not around,
I'm feeling so lonely
I can't escape
from your face x2

All you wanted
was for me
to breathe

Since you're not around..
(instr.)

You were always on my mind
You never disappear

(Chorus)
Since you're not around,
I'm feeling so lonely
I can't escape

from your face x2
