

# Frozen

Sabrina Claudio

If we could live in this moment  
And just hold it  
Keep my head on your chest  
I'll never leave this bed  
The flowers will be blooming  
The leaves will be turning  
And snow will be falling  
While we're making love  
And the sun will be shining  
The flowers still are blooming  
Then leaves will turn again  
But time will be frozen for us (ha, ha)  
Time will be frozen for us (ha, ha)  
Time will be frozen for us  
Cover the window and come uncover me  
Let's forget the world even exists  
Cause nothing compares to this  
The flowers will be blooming  
The leaves will be turning  
And snow will be falling  
While we're making love  
And the sun will be shining  
The flowers still are blooming  
Then leaves will turn again  
But time will be frozen for us (ha, ha)  
Time will be frozen for us (ha, ha)  
Time will be frozen for us  
The flowers will be blooming  
The leaves will be turning  
And snow will be falling  
While we're making love  
And the sun will be shining  
The flowers still are blooming  
Then leaves will turn again  
But time will be frozen for us (ha, ha)  
Time will be... (ha, ha)  
Time will be frozen for us
