Old Man

Neil Young

Old man look at my life I'm a lot like you were Old man look at my life I'm a lot like you wereOld man look at my life Twenty four and there's so much more Live alone in a paradise That makes me think of twoLove lost, such a cost Give me things that don't get lost Like a coin that won't get tossed Rolling home to youOld man take a look at my life I'm a lot like you I need someone to love me The whole day through Ah, one look in my eyes And you can tell that's trueLullabies, look in your eyes Run around the same old town Doesn't mean that much to me To mean that much to youI've been first and last Look at how the time goes past But I'm all alone at last Rolling home to youOld man take a look at my life I'm a lot like you I need someone to love me The whole day through Ah, one look in my eyes And you can tell that's trueOld man look at my life I'm a lot like you were Old man look at my life
