

I'm Good

Yg

[Chorus:]First off this beat bang
Ask around I'm the muthafuckin' man
I'm 'bout to drop ten racks on a chain and
Find a pretty bitch that I can dip w/ in the Range
I'm good I put that on the hood I'm good [x4]
First off this beat bang
Ask around I'm the muthafuckin' man
I'm 'bout to drop ten racks on a chain and
Find a pretty bitch that I can dip w/ in the Range
I'm good I put that on the hood I'm good [x4]
[Verse 1:]Aye aye, I'm so straight the cops so crooked,
Clique full of soliders like No Limit,
Watch it, what you doing? Bitch gimme four mintutes,
All in a nigga grill like four Dentists
Ridin' 'round solo got the money in the choke-hold
Whole head tattooed like a fuckin' Cholo,
Never hate the next men nigga that's a noo noo,
Got ya girl bouncin' on my dick like a lowlow,
Mustard on the beat, mustard get a fuckin' check,
I got bitches, take bitches nigga wanna bet?
Ice on my neck got ice in my ears hit the club
Niggas looking at me hella weird,
It's YG 400 bitch get it right,
You at the club every weekend bitch get a life
Ever since she fucked w/ me she never been the same
Well got damn just blame it on my ding-a-langg

[Chorus:]First off this beat bang
Ask around I'm the muthafuckin' man
I'm 'bout to drop ten racks on a chain and
Find a pretty bitch that I can dip w/ in the Range
I'm good I put that on the hood I'm good [x4]
[Verse 2:]Aye aye I'm so frooze the diamonds look so lemon
You should text 'cause my phone had low minutes,
Nigga's need swishers so we at the store w/ it
If you don't drop on the blunt then you don't hit it,
Flyer than a eagle, ridin' in a reagule,
Money over bitches nigga you don't think we know
Pockets full of c-notes opps I mean p-notes

Bitch in the whip lookin' hot like a cheeto,
Uhh Louie bag and a briefcase bitch,
I get money like a sweaptake, uh everyweek a nigga eat steak,
What's dessert? shit I wonder how she taste
I don't want her you can get her
Bitch you ugly like yo daddy Reggie Miller
Like Pittsburg bet I steal her
And fuck her in the whip brand new from the dealer
[Chorus:]First off this beat bang
Ask around I'm the muthafuckin' man
I'm 'bout to drop ten racks on a chain and
Find a pretty bitch that I can dip w/ in the Range
I'm good I put that on the hood I'm good [x4]
