

# R.I.P. (Rock In Peace)

AC/DC

Leave me alone  
Like a dog with a bone  
Like a stone that's been thrown  
Let me be on my ownCHORUS:  
Let me rock  
Let me roll  
Let me rock  
Let me rock in peaceOutta my way  
Got a boogie to play  
Every dog has his day  
Rock 'n' roll's here to stayCHORUS(Feels good  
for my mama  
just like I knew it would)I get my kicks  
Outta playin' my licks  
Outta layin' my chicks  
Down on Route 66CHORUSRock  
rock  
rock in peaceOutta my way  
Got a boogie to play  
Every dog has his day  
Rock 'n' roll's here to stayCHORUSRock  
rock  
rock in peaceLike Little Richard  
Oh Jerry Lee  
Chuck baby  
I wanna rock  
Let me rock in peace
