

# 15 Step

## Radiohead

How come I end up where I started?  
How come I end up where I went wrong?  
Won't take my eyes off the ball again  
You reel me out then you cut the string  
How come I end up where I started?  
How come I end up where I went wrong?  
Won't take my eyes off the ball again  
You used to reel me out and then you cut the string  
You used to be alright  
What happened?  
Did the cat get your tongue  
Did your string come undone  
One by one  
One by one

It comes to us all  
It's as soft as your pillow  
You used to be alright  
What happened?  
Et cetera, et cetera  
Facts for whatever  
Fifteen steps  
Then a shear drop  
How come I end up where I started?  
How come I end up where I went wrong?  
Won't take my eyes off the ball again  
You reel me out then you cut the string
