

I'm Sorry

Tyrese

I'm sorry, yes I am
For everything that I did before How can I do this right with you in my life?
Even though I say I love you, I've gotta make a change in my life, baby
I realize that you're better off without me by your side
You're a special lady and I know I'm not ready for you, oh I'm sorry for, what I've done
I broke your heart, now we're apart
I'm sorry for, making you cry
I broke your heart and now I'm alone
All by myself Tell me why, why I made my baby cry
I know I love you but why should I put you through all of these changes
Never mind all those things I said 'cause I didn't mean a thing
I promise you, I only want you in my life, oh I'm sorry for, what I've done
(I'm so sorry babe, everything I've done to you, oh)
I broke your heart, now we're apart
(Now we're apart and I can't deal with it)
I'm sorry for, making you cry
(Oh, tell me anything I can do to get you back, babe)
I broke your heart and now I'm alone Oh, and it hurts to move on, 'cause you're all I knew
But I must stay strong, I can't break down no more
Sometimes I sit and dream of you and me again
Oh, you have no idea, oh, of how hurt I am that I ran away (From the one thing I said)
I'm sorry for what I've done
(Meant the world to me, oh)
I broke your heart, now we're apart
(I'm so hurt that I did my baby wrong)
I'm sorry for, making you cry
(I'm so sorry now, oh)
I broke your heart and now I'm alone
(How could I be?) I'm sorry for, what I've done
I broke your heart, now we're apart
(For ever more)
I'm sorry for, making you cry
(Making my baby cry, oh)
I broke your heart and now I'm alone
(I don't think I'm going anywhere baby)
