

Foxhole J.C.

Silvertide

Brothers, sisters
The war is coming so you better stand strong
Brothers, sisters
If peace was in this war it would have already gunned you down I get down, I said down, I get down, I said down
We got one unit lost and the others too proud
I get down, I said down, I get down, I said down
We got one unit lost and the others too proud You're a foxhole Jesus Christ
Anyone can be a hero if they don't think twice
You're a foxhole Jesus Christ
Don't be a martyr, man You're a foxhole Jesus Christ
Anyone can be a hero if they don't think twice
You're a foxhole Jesus Christ
You're a foxhole Jesus Christ I hope your funeral smells nice
I hope your funeral smells nice Brothers, sisters
The war is coming so you better run fast
Brothers, sisters
If peace was in this war it would have already gunned you down I get down, I said down, I get down, I said down
We got one unit lost and the others too proud
I get down, I said down, I get down, I said down
We got one unit lost and the others too proud You're a foxhole Jesus Christ
Anyone can be a hero if they don't think twice
You're a foxhole Jesus Christ
Don't be a martyr, man You're a foxhole Jesus Christ
Anyone can be a hero if they don't think twice
You're a foxhole Jesus Christ
You're a foxhole Jesus Christ I hope your funeral smells nice War, war what is it for?
I said, "War, war what is it for?"
I said, "War, war what is it for?" You're a foxhole Jesus Christ
Anyone can be a hero
You're a foxhole Jesus Christ
Don't be a martyr, man You're a foxhole Jesus Christ
Anyone can be a hero
You're a foxhole Jesus Christ
Jesus Christ You're a foxhole
You're a foxhole
You're a foxhole
You're a foxhole Jesus You're a foxhole
You're a foxhole
You're a foxhole

You're a foxhole Jesus You're a foxhole
You're a foxhole
You're a foxhole
You're a foxhole Jesus You're a foxhole
You're a foxhole
You're a foxhole
You're a foxhole Jesus War, war what is it for?
War, war what is it for?
War, war what is it for?
War, war what is it for?
You're a foxhole Jesus Christ I said, "War, war what is it for?"
War, war what is it for?
And what is it for?
