

# How Deep Is Your Love

## Take That

Tudutudu

Tudutudu I know your eyes in the morning sun  
I feel you touch my hand in the pouring rain  
And the moment that you wander far from me  
I wanna feel you in my arms again And you come to me on a summer breeze  
Keep you warm in your love then you softly leave  
And it's me you need to show  
How deep is your love? How deep is your love, how deep is your love?  
I really need to learn 'cause we're living in a world of fools  
Breaking us down when they all should let us be  
We belong to you and me I believe in you  
And know you're the door to my very soul  
You're the light in my deepest, darkest hour  
You're my savior when I fall (When I fall) And you may not think that I care for you  
When you know down inside that I really do  
And it's me you need to show  
How deep is your love? How deep is your love, how deep is your love? (Oh)  
I really need to learn 'cause we're living in a world of fools  
Breaking us down when they all should let us be  
We belong to you and me You're the light  
You're my life (When I fall) And you may not think that I care for you  
When you know down inside that I really do  
And it's me you need to show  
How deep is your love? How deep is your love, how deep is your love?  
I really need to learn 'cause we're living in a world of fools  
They're breaking us down when they all should let us be  
We belong to you and me Tudutudu (How deep is your love)  
So, how deep is your love? (Tudutudu)  
How deep is your love? (Tudutudu) (How deep is your love)  
So, how deep is your love? (Tudutudu)  
How deep is your love? (Tudutudu)
