Love Letters

Metronomy

Love letters
Love letters
Love letters
Love lettersLove letters, all I see
On every day I read
The bits of yellow paper
Addressed from you to meAnd every day it shows
Inside a book of stamps
To tell you what I'm up to
And say just how I feelYou've got me writing
Love letters
I'll always write you
Love lettersYou've got me writing
Love letters
I'll always write you
Love lettersFrom far across the sea
They fly from you to me
But still I get no sleep
Oh, my love, don't be mad'Cause I'll keep on writing
Love letters
I'll keep on writing
Love letters
I'll keep on writing
Love letters
I'll keep on writing
Love lettersYou've got me writing
Love letters
Love letters
Love letters
Love letters
Love lettersLove letters
Love letters
Love letters
Love lettersLove letters
(Love letters)
