

Moody's Mood for Love

Dizzy Gillespie

There I go, there I go, there I go,...there I go
Pretty baby you are the soul, snaps my control
Such a funny thing but every time your near me
I never can behave
You give me a smile and then I'm wrapped up in your magic
There's music all around me
Crazy music, music that keeps calling me so
Very close to you, turns me your slave
Come and do with me anything that you want to
Anything baby, just let me get next to you

Am I insane or do I really see heaven in your eyes?
Bright as stars that shine up above you
In the clear blue sky, how I worry 'bout you
Just can't live my life without you
Baby, come here, don't have no fear
Oh, is there wonder why
I'm really feeling in the mood for love

So tell me why, stop to think about this weather, my dear
This little dream might fade away
There I go talking out of my head again, oh baby won't you
Come and put our two hearts together
That would make me strong and brave
Oh, when we are one, I'm not afraid, I'm not afraid
If there's a cloud up above us
Go on and let it rain
I'm sure our love together would endure a hurricane
Oh, my baby won't you please let me love you
And release from this awful misery

What is all this talk about loving me, my sweet
I am not afraid, not anymore, not like before
Don't you understand me, come on please
Pull yourself together, do it soon
My soul's on fire, come on and take me
I'll be what you make me, my darling

Oh, pretty baby, you make me feel so good
Let me take you by the hand

Come let us visit out there
in that new promised land
Maybe there we can find
a good place to use a loving state of mind
I'm so tired of beeing without it
Never knowing what love's about

James will you come in, old man
You can blow now if you want to, we're through
