Into You

Jennifer Knapp

She's a skin art junkie
All cute and petite
All her fat-cat schemes don't look around
Don't you even blame meIt's a real bad thing to spill your shades
For a blind man to find it
He can feel the whole earth move
And don't even mind itI wanna know You
Better than I do
Relieve me from from myself
Bring me into YouI wanna know You
Better than I do
Oh, relieve me, relieve me, baby
Bring me into YouShe's a wannabe hero
Yeah, she try to be strong
At the end of the hour
You find that the tower ain't standing so tallIt's a real hard thing
To show your weakness
If anyone can love you
I know my King doesI wanna know You
Oh, better than I do
Relieve me from from myself
Bring me into YouI wanna know You
Better than I do
Oh, relieve me, relieve me, baby
Bring me intoYour holiness
Your kingdom
Your righteousness
My freedomShe's an easy scare
She's a simple bluff
She's a timid girl
She's in loveI wanna know You
Oh, better than I do
Oh, relieve me from from myself
Bring me into YouI wanna know You
Oh, better than I do
Oh, relieve me, relieve me, baby
Bring me into You, hey, hey, hey
