

# Undo It (Patrick Kelly Productions Remix)

Carrie Underwood

Should've known by the way you pass me by  
There was something in your eyes  
And it wasn't right  
I should've walked but I never had the chance  
Everything got out of hand and I let it slide  
Now I only have myself to blame  
For falling for your stupid games  
I wish my life could be the way it was before I saw your face  
You stole my happy  
You made me cry  
You took the lonely and took me for a ride  
And I wanna un un un un undo it  
You had my heart now I want it back  
I'm starting to see everything you lack  
Boy you blew it  
You put me through it  
I wanna un un un un undo it  
Na na na na na  
Na na na na na  
Na na na na na  
Now your photos don't have a picture frame  
And I never say your name and I never will  
And all your things well I threw them in the trash  
And I'm not even sad  
Now you only have yourself to blame  
For playing all those stupid games  
You're always gonna be the same  
Oh no you'll never change  
You stole my happy  
You made me cry  
You took the lonely and took me for a ride  
And I wanna un un un un undo it  
You had my heart now I want it back  
I'm starting to see everything you lack  
Boy you blew it  
You put me through it  
I wanna un un un un undo it  
Na na na na na  
Na na na na na  
Na na na na na  
You want my future you can't have it  
Still trying to erase you from my past  
I need you gone so fast  
You stole my happy

You made me cry  
You took the lonely and took me for a ride  
And I wanna un un un un undo it  
You had my heart now I want it back  
I'm starting to see everything you lack  
Boy you blew it  
You put me through it  
I wanna un un un un undo it You stole my happy  
You made me cry  
You took the lonely and took me for a ride  
Boy you blew it  
You put me through it  
I wanna un un un un undo it
