Ultraparanoia

[Annihilator](#)

I'm on the run and I'm moving fast
I got to get away, away from the past
It's getting closer and I can feel a chill
There's no time to waste, there's no time to killGotta run, it's ultraparanoiaDarkness surrounds, I can feel the eyes
Burning to chase their human prize
I got to cover the tracks, I gotta cover 'em well
'Cause if they catch me, I'm going straight to hellGotta run, it's ultraparanoia
