

# House of Gold

[Willie Nelson](#)

People cheat, they steal and lie  
For wealth and what that wealth will buy  
But don't they know that on the judgment day  
Gold and silver will melt away And I'd rather be in a deep, dark grave  
And know that my poor soul was saved  
Than to live in this world in a house of gold  
Deny my God and doom my soul What good is gold and silver too  
When your heart's not good and true  
So sinner hear me when I say  
Fall down on all your knees and pray And I'd rather be in a deep, dark grave  
And know that my poor soul was saved  
Than to live in this world in a house of gold  
And deny my God and doom my soul Jesus died there on the cross  
So this world would not be lost  
Sinner hear now what I say  
For someday you'll have to pay I'd rather be in a deep, dark grave  
And to know that my poor soul was saved  
Than to live in this world in a house of gold  
Deny my God and doom my soul
