When I Miss You Most

Josh Hoge

I think about you when the flowers bloom
When the birds sing a spring time tune
It dont take much to get me missing you
I cant lie
And when those summer nights roll around
Its the memories I think about
But I cant take it,
No, I dont break down and cry
Until the winters here, Ill do alright[Chorus:]
When I see the falling snow
And the carols on the radio
I, wonder why you had to go away
It stirs up the memories
And the days of you here with me
Theres something bout how that cold wind blows
And this time of year, is when I miss you mostNo, I cant make it through the autumn days
Watching colors on the leaves change
But Decembers more than I can take
What can I do? (What can I do?)
Cause I only wanna be with you[Chorus:]
When I see the falling snow
And theres carols on the radio
I, wonder why you had to go away
It stirs up the memories
And the days of you here with me
Theres something bout how that cold wind blows
And this time of year, is when I miss you mostThey say its the most wonderful time of the year
But its the hardest time without you here
Oh, no[Chorus:]
When I see the falling snow
And theres carols on my radio
I, wonder why you had to go away
And it stirs up the memories
And the days of you here with me
Theres something bout how that cold wind blows
And this time of year,
This Christmas time of year, is when I miss you mostWhen I miss you most
Oh, no, no
Oh, no, no

Hmm, oh
Miss you
