

Brand New Day (original version)

[Ryan Star](#)

I stayed in one place for too long
Gotta get on the run again
I saw the one thing that I want
Hell bent, get outta bed
I'm throwing rocks at your window
You're tying the bed sheets together
They say we are dreaming too big
I say this town's too small Dream
Send me a sign
Turn back the clock
Give me some time
I need to break out
And make a new name
Let's open our eyes
To the brand new day
It's the brand new day I've taken hits like a brawler
But I'm getting back up again
And from the moment I saw her
I was hell bent with heaven sent
I'm throwing rocks at your window
We're leaving this place together
They say that we're flying too high
Well get used to looking up Dream
Send me a sign
Turn back the clock
Give me some time
I need to break out
And make a new name
Let's open our eyes
To the brand new day
It's the brand new day It's the brand new day
I know it's the brand new day
Come on to the brand new day
I know it's the brand new day Dream
Send me a sign
Turn back the clock
Give me some time
I need to break out
And make a new name

Let's open our eyes
To the brand new day
It's the brand new day
