

# Laredo (Album Version)

## Band of Horses

Gonna take a trip to Laredo  
Gonna take a dip in the lake  
Oh, I'm at a crossroads with myself  
I don't got no one else And possibilities at the door  
I won't be needing them anymore  
Oh, is this the first time in your life?  
It's hard just to get by But oh, my love, don't you even know?  
And oh, my love, are you really gone?  
Oh And can you see the world through a window?  
Are you having troubles in droves?  
Oh, I think the worst thing I could do  
Is get back home to you I put a bullet in my Kia Lorenzo  
A kitchen knife fucked in my face  
Throw me in the deep of Jenner Lake  
Believe me when I say That oh, my love, you don't even call  
And oh, my love, is that you on the phone?  
Oh
